## **“Computer Big Buy”**

The Division of Purchasing & General Services is sponsoring its seventh “Big Buy”, a program where the State’s direct PC contractors: Dell, Compaq, and Gateway, offer even deeper discounts on the State’s already low contract pricing. The Big Buy will run from November 13 through December 31, 2002.

Beginning November 13, 2002 you can order directly with your preferred supplier by simply going to our home page, <http://www.purchasing.utah.gov>. Click on the “Big Buy” link under “Featured Links.” Each vendor will have a link that will give you instructions on how to find their pricing. The link will appear the day the buy begins.

The “Big Buy” is available to State agencies, higher education, school districts, local governments and all political subdivisions that are eligible to purchase from state contracts.

*No personal orders, please.*
